

BOOKING TERMS and CONDITIONS

- Once your child is registered with Musical Bumps they have a permanent place until you tell us otherwise. You must give at least 3 weeks' notice (verbal or written) if you wish to discontinue classes. Without notice you are still liable for fees. This applies to termly, half-termly and five-week block payments.
- Fees cannot be waived for occasional absences. In exceptional circumstances please speak to your teacher.
- Five-week blocks are available for babies attending 0-12 month classes which allow some flexibility; occasional missed classes may be carried forward within a term. In exceptional circumstances teachers may be able to offer this option for older children.
- Priority places are available for children already attending a class. The cut-off date for each term is shown on the booking form. After this date places are allocated on first come first served basis. Once a class is full a waiting list is held.
- **Classes for under 36months:** Resources are provided for use under supervision. Parents and carers are expected to supervise their own children and not allow instruments and puppets to be sucked or chewed. This is for the safety of children attending Musical Bumps classes.
- **3+ classes:** Children may attend 3+ classes without their carers where able/appropriate. Carers are required to stay on site. Safeguarding policy available on request.
- Please avoid the use of mobile phones during classes except during the break. Please do not take photos or videos which include other children without prior permission from the child's carer.
- Carers are responsible for supervising their child/ren and ensuring their behaviour does not affect the wellbeing or safety of themselves or other children
- **Please avoid snacks during classes** except during the break—this helps our resources stay clean and avoids any difficulties for other children.

- I agree to Musical Bumps contacting me by email, text or telephone
- I give my consent for photographs/video to be taken during classes for training purposes
- I give my consent for photographs/video to be taken during classes for use in promotional material (children will not be named)
- I agree to abide by the terms and conditions above
- I agree to inform the teacher (in confidence) of any relevant health issues, allergies or conditions that may affect my baby/child
