Musical Bumps Party!

Booking Form

Thank you...

... for choosing a Musical Bumps party for your special day!

We are pleased to provide you with all the information required to make a booking. Please make sure you fill in both sides of the form and don't forget to mention any special theme for the day, as well as some of your child's favourite Musical Bumps songs and activities.

A Musical Bumps party session lasts for up to one hour, although forty to fifty minutes is more usual and often more successful with young children! The maximum number of children is 20, please ring before booking if numbers are likely to be more than this.

We encourage as many adults as possible to participate, including grandparents - the party is not a 'show'! It's a good idea to start the session about 15-20 minutes after the party begins, and then move on to the 'tea' straight after. But that's flexible and up to you!

The cost of a party is £85, (with an additional £10 per additional birthday child to cover the gift). Included in the price there is a gift for your child, ten invitations and song sheets for the adults to use during the session or sent home in party bags. Additional invitation, filled party bags, balloons and other goodies are available to purchase individually, see overleaf.

Best wishes

Musical Bumps!
